

# A METRO-WIDE MAMMOGRAM SCREENING INITIATIVE OVER 1,000 FREE MAMMOGRAMS TO UNINSURED WOMEN

Annual mammograms are critical for early breast cancer detection, which improves the chances of successful treatment and survival. When breast cancer is caught early; women are most likely to win the fight against breast cancer. Registrations will be accepted until all free mammograms are depleted. **Early Detection Saves Lives. Get Your Free Mammogram Today!**

To register for your **FREE** mammogram, visit: [www.chicagobreastcancer.org](http://www.chicagobreastcancer.org) or call **312-942-0346**.
